CHEMISTRY CLUB
Natural Science Center, Room 218
Tuesdays, 12:00pm-1:00pm

Kick-Off Meeting August 31, 3:00pm in NSC 218

Dr. Gigi Ray: Advisor for STEM, Honors and Biochemistry, Chemistry Dept., GSU
Paid Research Opportunities at GSU and Off-Campus
September 4th

Andrew Guest: Quality Assurance
SweetWater Brewery
The Importance of Research when Applying for Technical Careers
September 18th

Dr. Giovanni Gadda: Graduate Director, Chemistry Dept., GSU
5-year Masters and Chemistry PhD Programs
October 2nd

Helen Ellis: Water Quality Chemist, Georgia Aquarium
Water Mysteries of the Georgia Aquarium
October 16th

Dr. George Wang: Georgia Research Eminent Scholar in Chemical Glycobiology, GSU
Turning the Sugars into Drugs: Current Status and Perspective
October 30th

Dr. Carson Meredith: Associate Chair for Graduate Studies, Chemical & Biomolecular Engineering, Georgia Tech
Research Opportunities in Chemical & Biomolecular Engineering at Georgia Tech
November 13th

Sandwiches and drinks will be served at each seminar
