Promotion & Tenure

March 1
Deadline for chairs to ask in writing all non-tenured faculty who are eligible for consideration for promotion and/or tenure if they wish to be considered by the department. All responses to this request must be received by the chair by March 15.

March 15
All faculty members who wish to be considered for promotion and/or tenure notify their chairs. The candidate also provides the chair with a list of eight possible external reviewers (must include organizational affiliations and addresses, indications of their ranks, areas of concentration, major achievements, standings in the discipline, and the nature and extent of any personal and/or professional relationship with the candidate), following the format shown in Appendix I (College P&T manual). A current curriculum vitae is also required, and it should follow the format shown in Appendix III (College P&T manual).

All faculty members with probationary credit, who are eligible for consideration for promotion and tenure must notify their department chairs if they will keep or relinquish some or all of their awarded credit.

A faculty member applying for consideration for promotion and/or tenure, whose primary field of expertise lies outside of their department’s area, may submit a written request to their chair and to the dean to be reviewed for promotion and/or tenure by an area committee other than the one representing their department.

March 22
The chair, in consultation with senior faculty in the department, provides a list of eight possible external reviewers (must include organizational affiliations and addresses, indications of their ranks, areas of concentration, major achievements, standings in the discipline, and any known relationship with the candidate), following the format shown in Appendix II (College P&T manual). There should be no duplication in names of reviewers on the two lists.

Electronic copies of the candidate’s list, the chair’s list, and the candidate’s curriculum vitae must be submitted in MS Word format by the chair to the Office of the Dean.

June 12
An electronic version (bookmarked PDF) of the candidates’ professional development materials are submitted to the chair for forwarding to external reviewers (see College P&T manual, section V, I). Hardcopies of books may be submitted if the candidate is unable to secure an electronic version from their publisher.

June 15
The chair reviews the professional development materials for conformity with the P&T manual and posts the electronic external review dossier to the Dean’s Office SharePoint site. Candidates who would like to have the reviewer return their book(s) must request so in writing. The request should be made to the Office of the Dean. These materials will be returned to the candidates when the external reviewers send them back to the university.

August 15
Letters/responses from external reviewers are due to the Office of the Dean.
The Office of the Dean provides the chair with the letters of assessment that have been received from external reviewers. The chair forwards copies of the letters to the departmental P&T committee. External reviewer letters must be treated confidentially at all levels of the promotion and tenure process. Candidates submit their complete electronic dossier (bookmarked PDF) to their chair. After this date, no materials can be added to the dossier. The dossier is considered closed, and all parties involved in the review of the candidate’s credentials will have access to exactly the same information in the dossier. The materials in a candidate’s dossier should remain as submitted at all levels of review. Anyone reviewing the dossier must not alter the file in any way.

The chair will post the candidate’s complete electronic dossier to the Dean’s Office SharePoint site.

Departmental committees present their letters of assessment and recommendation to the department chairs.
